Are you Ready? The College Transition

Attention Juniors and Seniors! Are you planning on attending college? Not sure what to expect?

Attention Parents! Are you anxious about sending your child off to college and wondering how to stay connected while letting go?

If you answered **YES** to either of these questions consider attending the two night workshop, Are You Ready? The College Transition!

April 6: Academics and Finance

April 7: Relationships and Healthy Choices

* Each night a plan will be developed for students to use while in college

Plan on attending both sessions!

Sessions will be held at the Colfax High School

Meal and program: 5:00 – 7:00

Class size limited, registration required by: March 26, 2010

"I think the two groups method (students & parents) is a very strong, effective method for this topic and age group. The "group" legitimized our discussions with our teen and made this a subject that we could discuss with less condescending from our teen. If we had said we were going to have a written plan (in the areas covered) we would have faced a lot of resistance. Instead with all youth doing the same things with their parents, this process became a "norm." Worked great!"

"I wish I had taken this program when my FIRST child went off to college!"
